**The Oyster 885 Series II is the ultimate 90-foot bluewater cruising yacht.**

Designed and engineered to deliver exhilarating sailing performance, comfort, safety and luxurious living and entertaining space – the 885 is a home-from-home anywhere in the world.

**I N T E L L I G E N T D E S I G N F O R  
L U X U R Y A N D P E R F O R M A N C E**

The 885 features Oyster's deep bluewater experience, innovation and renowned build quality. She is beautifully balanced, responsive and able to maintain high, comfortable passage speeds thanks to the Humphreys designed hull and twin rudders.

Below decks, there are extensive customisation options. She features four extremely well appointed ensuite cabins, able to accommodate 8 guests. Oyster's triple Seascape windows provide light and airy environments and her discreet, forward crew quarters mean privacy is assured.

A full width saloon and height adjustable table allows the space to be transformed into a daybed or cocktail lounge. On deck, the cockpit is perfect for alfresco dining for 12 people and the sunken foredeck chillout zone provides a magical space for movies under the stars.

At just under 90 feet, she cuts through the red tape for managing larger vessels, coming in just below the 24m Load Line Rule.

**F E A T U R E S**

- **Six cabins, four double ensuite**
- **Separate crew quarters and mess for four crew**
- **Standard carbon rig with Park Avenue boom**
- **Full customised hydraulic system which powers bow and stern thrusters and sail handling system**
